Course Details: This is a bare bones, no support 1/2 marathon race/jog/hike on the Brush Creek, Boyd Gap and Old Copper trails to the the Whitewater Center where there is water and toilets available and then the Rhododendron trail to Thunder Rock campground. The trail will be marked with flour dots but is highly recommended to download the ViewRanger app (click [HERE](#)) to follow the route on the smart phone. The last raft will cast off the Thunder Rock CG at 2PM (2.6 MPH pace). Any hiker arriving after the cutoff time as well as any runner/hiker opting out of the raft trip will be shuttled back to Raft One. We will also transport anyone wishing to participate in only the raft trip. The Canopy Zip Line tours start at 3:00 and the last group off at 6:00. The kitchen will open at 3:00 and will include either a burger or a custom made pizza, chips and all the beer you like.
